Pointers for Quick COE Approval

- Send one hard copy and email one PDF file of the application and all attachments
- Enclose correct payment amount (application fee *plus* site visit deposit)
- Do not combine multiple substantive change requests into one application
- Include copy of state approval
- Send amended PDF file if changes or additions are required by the Council

Biggest Application Problems

- Application is submitted too late
- Postsecondary Educational Program Chart is not completed
- Clock Hour/Credit Hour chart is missing clock hours
- Documentation of state approval is missing
- TMI!!

A Word to the Wise

Unapproved sites and programs can lead to serious financial paybacks.
